OPENING OF THE DANUBE – BLACK SEA DEEP WATER NAVIGATIONAL ROUTE FOR SHIPS

We are please to inform the Shipping Communities that the Ministry of Transport and Communication, Ukraine announced the opening of the Danube – Black Sea Deep Water Navigational Route for ships.

Ships can use this route as part of the Pan-European International Transport Corridor. Attached to this Circular, is the original announcement from the Ministry of Transport and Communication, Ukraine, which is self explanatory, for your reference.

For Clarification, please do not hesitate to contact the undersigned.

Capt Jonathan Foong
Maritime Commissioner
